

Hear Ye, Hear Ye!!

We hope you can join us for a great afternoon of fine guitars, old and new friends, and the wonderful music that naturally results from combining them. This is a private event, by invitation only, for guitar players, collectors, and enthusiasts. A low key, guitar-community meet & greet, with some live music and refreshments.

Please be our guest at the first **Woodstock Invitational Luthiers Showcase**

Saturday, October 25, 2008

1 PM – 6 PM
